20th February, 1961.

Dear Ellis,

Your ref.109/33/3 of 30th January. I am sending off the first instalment of 6 of the books you ask for. I shall send the rest - or as many as I can get - in suitable batches.

I do send you a copy of every book of this kind that we distribute and rely on you to ask for extra copies if you think the book useful ; and I shall continue to do so. But I shall also give thought to whether there are other books, already distributed, which look to us like being up your street. It is very encouraging that there are active, local helpers.

Yours sincerely,

(G.S.Bozman.)
